2011 County Employee Safety Meetings

Oklahoma One-Call System Inc. (Call Okie), in conjunction with local underground facility companies, is sponsoring a County Employee Safety Program for all County Employees and Safety Directors.

Call Okie is excited about the newly revised program added to the statewide County Employee Safety Programs. The meeting is being held to increase awareness of the underground facility dangers that exist and to encourage use of the State's One-Call notification system.

Attendees will receive a FREE catered lunch and there will be an opportunity to meet and visit with several of the underground facility representatives.

Every attendee will receive free gifts, door prizes and will be registered for a \$1,000 gift card that will be given away at the end of our training year.

For more information and/or to reserve your seats... contact Leslie Carter, Damage Prevention Events Coordinator, at 1-800-522-6543 ext. 7205 or RSVP on our website www.callokie.com
